University**

Multimedia Project Proposal

Course Code: CSE-455

Course Title: Multimedia

SUBMITTED BY:

1. Gazi Mohim Ahmad
Roll: 2466
2. Al-Eadin Nizhum
Roll: 2519

SUBMITTED TO:

**Dr. Mohammad Zahidur Rahman
Professor
Department of Computer Science and
Engineering,
Jahangirnagar University.**

4th Year 2nd Semester

Session: 2016-17

DATE OF SUBMISSION: 16-12-2022

Project Title: Reflection of light

Project Description:

We will animate the basics of reflection of light in an easy way so that the science students of class 9 to 12 can understand without any difficulty. We know that reflection is the bouncing back of light when it strikes a smooth surface. We describe these stuffs with an animation video and add explanation audio.

Group Members Role:

Scriptwriter:

Al-Eadin Nizhum

Illustrator:

Al-Eadin Nizhum

Gazi Mohim Ahmad

Motion Graphics Designer:

Al-Eadin Nizhum

Gazi Mohim Ahmad

Voice over Artist:

Gazi Mohim Ahmad

Sound Designer:

Al-Eadin Nizhum

Gazi Mohim Ahmad

Animation Tools:

1. Pencil 2D
2. Blender
3. Kdenlive
4. Ardour
